Sport Regionals, Albuquerque, NM

June 2 – 8, 2019
Sport Divisionals, Cypress, TX

June 15-16th, 2019
Maple Canyon Trip

Continued Growth

This has been a year of change for TCP with a new Board of Directors and Officers taking over stewardship of the organization. A strong foundation was created and provided by the past officers which created the foundation for continued success for TCP!

We are happy to report that the raffle fund raiser at the Reel Rock Film Festival was the largest yet, and thus far initial reports for the NIAD fundraiser are looking quite positive in terms of funds raised.

TCP is thankful for all the support we continue to receive from parents, family members, friends, the gym, private donors, and the climbing community in general! The need for scholarships and assistance has continued to expand and TCP would not be able to keep up without everybody's help.

Thank you all!

A Letter from the President

Change and Growth

Dear Community Members, Gym Members, Team Parents & Athletes,

I have never served on a board of directors for an organization. When I contemplated volunteering for TCP my initial reaction was fear of the unknown. After thinking it over a bit I concluded that this was a good opportunity for personal growth in learning something new and cultivating new skills. All the while getting to give something back to the local climbing community.

Looking back on the first year I can say that the experience has been rewarding and challenging, and I look forward to the next year as TCP continues to grow and adapt to the increasing needs of the hard-working youth athletes and their families. Thank you for the continued support. Let's continue to grow this thing!

Jesse Schultz
